

The Importance of Membership

The Muskoka Steamship and Historical Society is a membership-based charitable organization dedicated to the protection and preservation of Muskoka's Lake Heritage that makes Muskoka a unique place to live and visit.

The Society is best known for the operation of the Royal Mail Ship *Segwun*, the oldest passenger steamship in commercial use in North America and the **Wenonah II**, a 200 passenger ship that combines turn of the century charm with all the modern conveniences.

The Society's year round mission is the protection and exhibition of thousands of artifacts from Muskoka's past. The Muskoka Boat and Heritage provides the ideal venue to discover our history in an educational and fun environment.

By joining the Society, your support will ensure the "Real Muskoka Experience" will continue for future generations

Testimonials:

Our company, Loblaw's, is rich in tradition and history as is the Muskoka Steamship & Historical Society. The *RMS Segwun*, *Wenonah II*, *Wanda III* and the Muskoka Boat & Heritage Centre keep our history alive for everyone to enjoy. We are a proud corporate member and honoured that we are able to preserve our heritage for future generations.

Why is Chamberlain Tim-br Mart a member of the Muskoka Steamship and Historical Society? Primarily it is important to maintain a portion of our history that was critical to the development of Muskoka, namely the steamships and resorts and boatbuilders. With the *Wenonah II*, the *RMS Segwun* and Muskoka Boat and Heritage Centre we are not only preserving the history and artifacts but we have the opportunity to live a little of it. With membership we get to participate in cruises, receive discounts, and participate in special events. Best of all this year we get free admission to the Heritage Centre and the Grace and Speed exhibit. This is by far the best and most interactive attraction I have attended. Every time I go I learn more about Muskoka and get to see the indoor antique boat show. Please support all the hardworking staff and volunteers who are protecting our Muskoka heritage and become a member of the Muskoka Steamship and Historical Society.
